Sir,

Subject: 1. G.O.Ms.2496 Health dated 5-8-52.
2. This office letter Ref.A5-18879-52 dated 10-1-53 to the Director of Public Health Madras.
3. From the Director of Public Health, Madras L.Dis.6515-El(o)53 dated 29-3-1953.
4. Dt.Board resolution No.28 dated 21-4-53

The Government having accorded sanction to the opening during 1952-53 of two Maternal & Child Health Centres by the South Kanara District Board, the Board sanctioned the opening of the 2 centres at Basroor in Coondapur Taluk and Pilicode in Kasarago Taluk as per resolution No.76 dated 3-1-1953 and the Director of Public Health, Madras was addressed in my letter Ref.A5-18879 dated 10-1-1953 to accord sanction to the creation of posts of a Maternity Assistant and an Ayah to each of the Maternity Centres The Director of Public Health in reply has stated that as the financial position of this District Board is stated to be unsatisfactory by the Inspector of Local Boards, Madras, the proposal to open the 2 new centres may be kept in abeyance till the financial position improves.

2. Though the financial position of the District Board is unsatisfactory and the Government have while passing orders on the Budget Estimate of this District Board for the year 1953-54 have stated that no new institutions be opened, the District Board has felt the necessity of opening the 2 centres referred to above on account of non-avilability of the services of trained Maternity Assistants in those villages and has accordingly resolved to address the Government to reconsider its orders and permit the opening of the Centres as per District Board resolution No.28 dated 21-4-1953 (copy enclosed). I request that the Government may be pleased to accord permission to the opening of the 2 centres at Basroor and Pilicode during the current year as a special case and to sanction the creation of the posts of Maternity assistants and Ayahs at an early date.

For President,
District Board, South Kanara.

Copy to the Dt.Health Officer, S.K for information.
